Question 96. A passage is given with 5 questions following it. Read the passage carefully and choose the best answer to each question out of the four alternatives and click the button corresponding to it.

Two men were once walking along a forest path, talking of courage and loyalty. The bigger one, who had a gun, was boasting of his own bravery and fidelity, when suddenly a large bear came from behind a rock close in front of them, and stood in their way growling angrily. The boaster fled to the nearest tree, dropped his gun, and climbed to a safe place without thinking of his poor friend. The latter flung himself upon his face as though dead. The bear smelt his body, turned him over, licked his face, and supposing him to be dead, went on its way leaving him unhurt.

The other man came down from the tree, and going to his friend said "Well, what secrets did he whisper so quietly in your ear?". To which the little man, who owed his life to his own presence of mind and not to the boasted bravery and fidelity of his companion, replied, "why, he said, 'put not your trust in braggers,' and I shall take his advice."

What were the two men talking about while walking along the forest path?

Options:  
1) About their wives and children.  
2) About money and fame.  
3) About friendship and enjoyment.  
4) About courage and loyalty.
