From the oldest and most trusted name in Exam Preparation which gave us Career Power, Bankersadda, Sscadda, here is the latest offering – Video Courses that are tailor-made for the Govt. Job aspirants of digital India. Various banking and SSC exams are conducted online with regular changes to exam pattern and level of questions. We understand the changing needs of the students and have devised a unique solution, making preparation easy, cost-effective and efficient.

Video courses for banking and SSC consist of exhaustive video lectures for government exams which are pre-loaded on an SD card. We offer these courses in two variants: [Android Tab + SD-Card] or [SD Card only]. The SD Card can be run on your personal android device as well. The video courses will run on the Adda247 mobile app, the number one App for Bank and SSC exam preparation.

Sol.

S7. Ans.(e)
Sol.
Solution (11-15):
Students let us understand the Logic behind this Question and let’s understand how to solve it. When we see the each step, then we can find that there is both number and words are arranged in each step.

1) For words arrangement- Words are arranged according to descending order given in English dictionary. In first step the words which comes last according to English dictionary arranged first to extreme left. And in second step next word are arranged to left. And this process is continued in further step.

2) For number arrangement- Number are arranged according to descending order. In first step greatest number arranged in left. And in second step next number is arranged. And this process is continued in further step (Each odd number is added by one (+1) while they are arranged and one is subtracted by each even number (-1) while they are arranged).
Input: 59 with broad 48 smile 35 then 24 hold 76 firmly 19
Step I: with 75 59 broad 48 smile 35 then 24 hold firmly 19
Step II: then 60 with 75 broad 48 smile 35 24 hold firmly 19
Step III: smile 47 then 60 with 75 broad 35 24 hold firmly 19
Step IV: hold 36 smile 47 then 60 with 75 broad 24 firmly 19
Step V: firmly 23 hold 36 smile 47 then 60 with 75 broad 19
Step VI: broad 20 firmly 23 hold 36 smile 47 then 60 with 75

S13. Ans. (e)
S14. Ans. (a)
S15. Ans. (d)

S16. Ans. (c)
Sol. Only II and III are sufficient to answer the question.
From statement II and III, we can say that P have two daughters.

S17. Ans. (a)
Sol. All I, II and III are required to answer the question.
From all the given statement: E > B > A > C > D > F

S18. Ans. (c)
Sol. Only II and III are required to answer the question.
From statement II and III: E is the daughter in law of A.

S19. Ans. (e)
Sol. Question cannot be answered even with all I, II and III.

S20. Ans. (a)
Sol. Only I and III are sufficient to answer the question.
Gone=ho
Solution (21-25):
9. A (Commerce)
8. B (Art)
7. I (Science)
6. D (Hindi)
5. E (Sanskrit)
4. H (Math)
3. F (History)
2. C (Computer)
1. G (English)
